

LIVE THE MAGIC OF THE FIREWORKS FOLLOWING THESE BASIC BUT IMPORTANT SAFETY TIPS

1

ALWAYS CHOOSE CE MARKED ITEMS

with safety instructions. Always purchase from authorized retailers.

2

TRANSPORT AND KEEP

in cool dry place. Keep away from children.

DO NOT SMOKE

3

BEFORE USE:

read the instructions carefully and decide where to place in daylight.

4

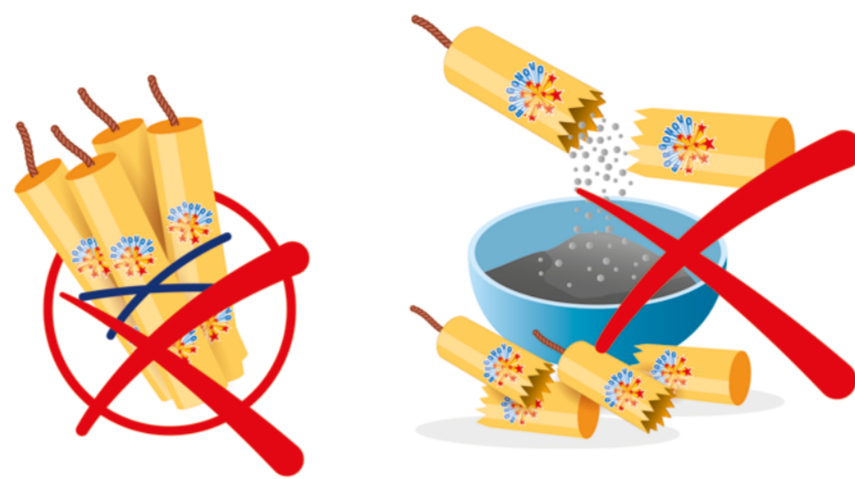

DO NOT USE UNDER THE INFLUENCE OF ALCOHOL

5

DO NOT ATTEMPT TO MODIFY FIREWORKS

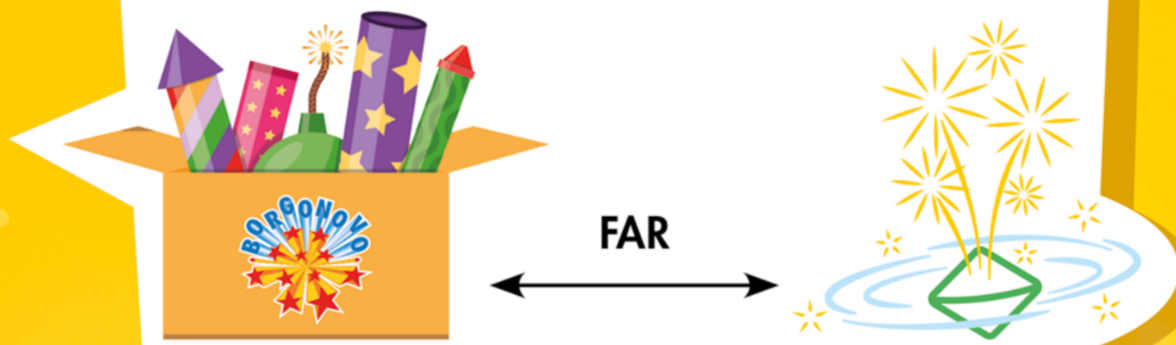

Do not extract gunpowder and never connect firework items together.

6

LIGHT FIREWORKS ONE AT A TIME

keeping away any other fireworks or sources of ignition. Wear non-flammable clothes.

7

GENERAL IGNITION MODE:

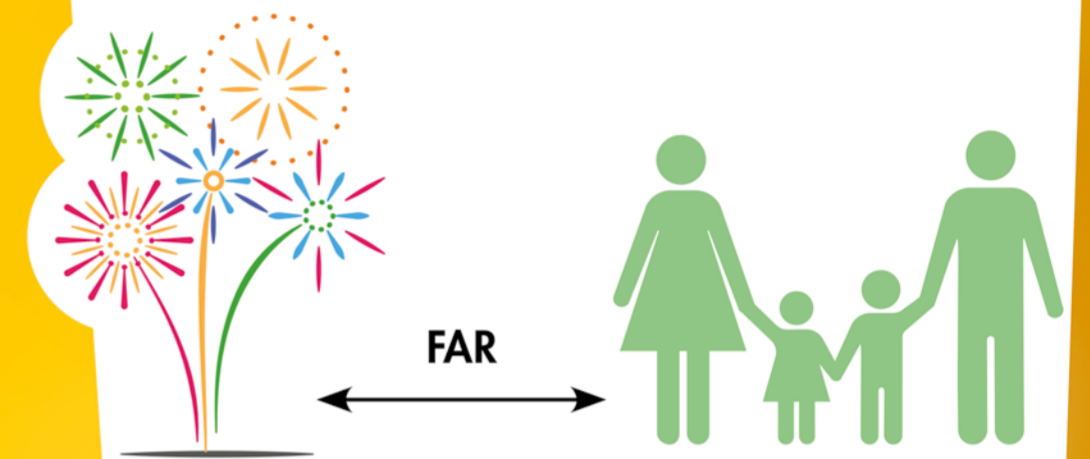

Standing sideways light the fuse at its outermost end holding it at arms length. Protect your face. Keep the distance.

8

AUDIENCE

must be at a safety distance. Keep children safe.

9

IN CASE OF FAILURE

do not try to light an item again. Let it cool off, then soak it with water without leaning over it. Wait before retrieving it with caution.

10

NEVER PICK-UP

or re-ignite fireworks left behind!

RESPECT ANIMALS

ALWAYS USE FIREWORKS RESPONSIBLY

After use dispose any wrapping properly.
